## September Program

**Diane Frederick**

Our September program will feature accomplished pyrographer Diane Frederick (that's wood burning for those of us who don't speak Latin). Diane has been professionally wood burning since the 80's and works with both wood and gourds. She'll speak about choosing the right wood and have samples of wood burning on different wood species. She'll have samples of her work on gourds and talk about how this differs from working with wood. Diane will also discuss the different variety of wood burners available and the pro and cons of each type. Come and find out how this skill might be incorporated into your next woodworking project.

NCWA General Meeting Notes – August 25, 2018

A Message from our President & Vice-President:

*A Big Thank You!*

On behalf of George and myself, we want to say a big “thank you” to everyone that attended our club BBQ last Saturday at Val and Laura's. The weather didn't totally cooperate, but a little misting didn't dampen the spirits of those who came out to enjoy a wide array of delicious foods and great company.

A special thank you to Val and Laura for once again hosting our picnic. They both seem to brush it off as no big deal, but I can assure you that it is a big deal! They spend a lot of time and energy in the preparation that they do before we even get there, and again after we leave. Be sure to thank them yourselves the next time you see them.

Also, a special thank you goes out to John Braun for once again picking up and returning the BBQ to the rental center in Mt. Vernon. And to Bill Rawls for arranging for, and transporting, the brats.

We also had a lot of people step up and help with bringing supplies, setting up, cooking, managing the food tables, and cleaning afterwards. Each person giving 10 or 15 minutes of time helping makes a three hour picnic enjoyable for all. Thanks to all of YOU from all of us!!

Let's do it again next year,  
Dale and George

## On-Line Vendors Now Available to Members

We now have 3 on-line vendors who offer discounts to club members:

**Hartville Tool** – NCWA members receive a 15% discount on all regularly priced items in stock (special orders and Festool not included). Mention your membership in the comment section on the billing page and the discount will be applied to your final invoice.  
[www.hartvilletool.com](http://www.hartvilletool.com)

**Woodworkers Supply** – Our discount will range from 2 to 20% depending on the product. Final discount will be shown in the “shopping cart” when checking out. Log onto [www.pro.woodworker.com](http://www.pro.woodworker.com) and click on *Apply for Pro Account Now* and enter *NCWA Member* as your business and continue with purchase.

**Klingspor** – New to our vendor program this Klingspor offers a great selection of abrasives and woodworking tools. They offer a 10% discount on all non-powered merchandise not already discounted in their catalog. Go to [www.woodworkingshop.com](http://www.woodworkingshop.com).

Just a reminder that we provide these vendors with only your name and address (no email addresses) and that all of our vendors have strict policies of not sharing that member information. If you wish to opt out of having your name supplied to these vendors you can do so at the beginning of each year. If you have any questions about the vendor program please contact Gary Danilson.

## Volunteer Opportunities

We are looking for members who want to step up and give something back to the club:

1) After 10 years Gary Danilson is stepping down as chairman of the **Library** Committee. With the help of four committee members the chairman:

- ensures that the library is set up for each meeting and then returned to storage. –
- keeps track of inventory including ensuring that all books/dvds are returned. –
- works with an annual budget to purchase new books and dvds. –
- attends monthly board meetings to help guide the direction of the club.

2) Gary is also giving up responsibility for the December **Christmas Program**. We are looking for someone (or a couple) who would like to take this on. Your club Board has decided to discontinue the benefit raffle that has always been a part of the evening which will greatly simplify the planning process. So basically we are looking for someone who (with the help of a great committee) will plan a social holiday potluck meeting for the club.

Each of these positions have long-established committee members who do much of the work and Gary will be glad to give whatever help is necessary to ensure a smooth transition. If you would like to volunteer for either position, please contact the club President Dale Brandland; or if you would like to know more about what is involved, please give Gary a call at (360) 540-5768.

## LEIGH FMT PRO MORTISE & TENON JIG

LEIGH FMT PRO Mortise & Tenon Jig.....*One Guide, One Bit, One Setup* makes both the mortise and matching tenon! Once the easy setup is completed you can make 1 or 100 identical mortises & tenons. The micrometer-like adjustment makes a precise fit simple. Complete information & videos are online at <https://www.leighjigs.com/fmt-pro-overview/>

Includes detailed instruction manual and a full set of templates for 1/4", 5/16", 3/8" & 1/2" mortises & tenons.....a total of 68 possible joint sizes plus custom joints. Also includes 1/8", 5/16" & 1/2" up cut spiral router bits. That's everything needed to make an incredible array of joints, including angled, multiple and loose tenon joints.

Replacement value is over \$1200. A bargain at \$695!
